Business Retention + Expansion Program (BR+E)

Our BR+E Volunteers are celebrated!!

Our dedicated group of over forty BR+E volunteers were recently celebrated at a BR+E Volunteer Appreciation Luncheon on June 30th.

Thanks to the hard work and commitment of our volunteers, we are well on our way to meeting our goal of visiting 80 businesses. Our volunteers have completed 73 business visits which represents 91% of our target.

As a volunteer driven, community based project, our volunteers are committed to working with our local business community to identify and address opportunities and barriers to success.

The next stage upon completion of the surveys will be for the BR+E Leadership Team and our Volunteer Task Force to come up with a preliminary action plan to present to the business community and all stakeholders for consideration and final input once the business visits are completed and the data compiled.

Congratulations! to our wonderful volunteers and our local businesses who agreed to participate by agreeing to a business visit to take part in our survey. Your willingness to give of your valuable time and input is our recipe for success!!
