

Municipality of North Grenville, in partnership with the North Grenville Chamber of Commerce

Business Retention + Expansion Program (BR+E)

BR+E business visit results are in!

The BR+E Volunteer Task Force got together on Thursday, August 26th to review the data that came from the eighty business visits completed in July.

The Task Force discussed actions that could address the issues, opportunities, barriers and recommendations that were made by the business community and that were identified through data analysis of that feedback.

The next step is to develop a preliminary action plan from the valuable input received by the Volunteer Task Force and this report will be presented at a public meeting in the fall for final input by the community before taking to council for consideration.

The Municipality of North Grenville, along with the North Grenville Chamber of Commerce thanks the business community, all of the volunteers and the community as a whole for the continued commitment and dedication to the Business Retention + Expansion Program.

Stay tuned for further updates!!

Let's continue to work together to support local business!
