

Municipality of North Grenville, in partnership with the North Grenville Chamber of Commerce

Business Retention + Expansion Program (BR+E)

Progress Report! – July 2010

Now that our group of over forty Business Retention + Expansion Program Volunteer Visitors has completed the business visits, the work begins to analyze the data collected.

The Volunteer Task Force will be getting together soon to strategize and develop an action plan from the data collected.

This dedicated group of community and business leaders is looking forward to working together to come up with a preliminary action plan, which will then be presented to the business community and all stakeholders for consideration and final input at a public meeting, with the final strategy being presented to Municipal council for consideration and approval.

North Grenville businesses have responded by agreeing to the survey and the Municipality thanks you for your commitment and dedication to the Business Retention + Expansion Program and your fellow business community.

We'll keep you posted as this next stage progresses and we look forward to the public meeting later this year to present the findings to you.

Stay tuned for further updates!!

Let's continue to work together to support local business!
