Business Retention + Expansion Program (BR+E)

BR+E business visit results are in!

The BR+E Volunteer Task Force got together on Thursday, August 26th to review the data that came from the eighty business visits completed in July.

The group completed more in depth analysis and discussed actions that could address the issues, opportunities, barriers and recommendations that were made by the business community.

The next step is to develop the final Action Plan and Implementation Strategy, along with a final narrative report from the valuable input received by both our business community through the survey process and the Volunteer Task Force through the Strategic Planning Session.

This comprehensive report will then be presented at council during a public meeting in late fall for final input by the community and consideration for approval by council.

The Municipality of North Grenville, in partnership with the North Grenville Chamber of Commerce thanks the business community, all of the volunteers and the community as a whole for the continued commitment and dedication to the Business Retention + Expansion Program.

Stay tuned for further updates!!

Let's continue to work together to support local business!
