

## **Press Release - Municipality of North Grenville hosts a successful BR+E launch**

The Municipality of North Grenville held a Business Retention + Expansion (BR+E) Community Stakeholder Meeting and Program Launch on January 28<sup>th</sup> and the response was overwhelmingly positive with over **seventy (70)** attending.

“What a great start and a testament of how strongly our community believes in and supports the idea of working together to identify and address opportunities and barriers for our local business community through the Business Retention + Expansion Program.” notes Teri Devine, BR+E Coordinator.

### **More Volunteers needed**

Though we are strong out of the gate, we need to continue to build our volunteer base to 30-40 Task Force Members so that we have the capacity and resources to reach our goals.

Please consider joining those that have already applied. Applications will be accepted until Monday, Feb 15<sup>th</sup>, after which time the Leadership Team will make their final selection for volunteers. Go to [www.northgrenville.ca/brevolunteers.cfm](http://www.northgrenville.ca/brevolunteers.cfm) for more information and application forms.

Don't miss out on this opportunity to be involved in a highly successful project and see tangible results at the finish line.

### **Let's work together to support local business!**
