Message from the Detachment Commander

I am pleased to present the Grenville County Detachment - 2025 Detachment Board Annual Report. This report includes crime, traffic enforcement, community well-being data, and highlights initiatives and successes from the past year. The year 2025 was the last year of the 2023-2025 Grenville County Detachment Action Plan and this report will provide a final update and progress results from that plan.

I am proud of the work undertaken by our detachment. In 2025, we maintained our commitment to traffic safety, and prioritized hot spot areas by conducting focused patrols, based upon concerns from the community. This resulted in accountability and deterrence from increased visibility, education and enforcement.

We continued to leverage technology, including body worn cameras, in-car cameras, and Automatic Licence Plate Readers (ALPR) to support the collection of evidence, increase transparency and enhance public and officer safety.

We partnered with community-based organizations, including the Brockville General Hospital, the Leeds and Grenville Paramedic Service, and the Kemptville District Hospital, to develop/implement co-response models that enhanced our ability to respond to mental health-related calls.

We partnered with community-based organizations, including Victim Services of Leeds and Grenville, to better support victims by connecting them with local resources. We continued to engage with groups and organizations in our area to build relationships and promote community safety and well-being.

We supported the development of our members, who participated in several training opportunities, to not only support their career goals and aspirations, but also enhance their knowledge to better serve Grenville County through investigative excellence.

In 2026, we will release our new 2026-2029 Grenville County Detachment Action Plan. This is the first action plan developed under the *Community Safety and Policing Act* (CSPA). We are working closely with our Municipality of North-Grenville, Merrickville-Wolford Village OPP Detachment Board, and the South Grenville OPP Detachment Board and engaging with community members to ensure the needs of our communities are reflected in the commitments we make for the next four years. Development of the 2026-2029 Grenville County Detachment Action Plan will coincide with the creation of the 2026-2029 OPP Strategic Plan creating organizational alignment.

As we look ahead to emerging challenges and new opportunities in policing and community safety, our detachment members remain committed to our mission to serve our communities, protect our citizens, uphold the law, and preserve public safety.

Lisa G. Nicholas
Detachment Commander
Grenville County Detachment

Summary of Commitments

Through analysis and consultation, the following areas of focus were identified for the years 2023-2025.

Crime	Roadways, Waterways and Trails	Community Well-Being
Frauds continue to be on the rise in Grenville County. We will take a proactive approach in crime prevention/education within our communities and develop a victim-centered approach to investigating these crimes to help reduce stigma felt by these targeted victims. To work with internal/external partners to address intimate partner violence (IPV), cases of sexual assaults and other violent crimes. To address the underlying factors leading to substance/drug abuse and target the individuals responsible for trafficking these substances. To support victim-centered approach to crimes against persons and property crime investigations ensuring supports are in place to help victims deal with any associated trauma.	To target the BIG 4 causal factors of motor vehicle collisions on our roadways/waterways and trails in an effort to reduce these incidents (impaired driving, seat belt use, speeding and inattentive driving). To increase RIDE (Reduce Impaired Driving Everywhere) in order to target impaired drivers.	To develop transfer of care protocols with relevant healthcare facilities. To identify co-response solutions for non-police related calls for service that impact resourcing. To streamline collision reporting.

2025 Crime Progress Results

Commitment	Progress Results
Frauds continue to be on the rise in Grenville County. We will take a proactive approach in crime prevention/education within our communities and develop a victim-centered approach to investigating these crimes to help reduce stigma felt by these targeted victims.	The Grenville County Detachment had engaged with vulnerable populations at nursing and residential homes during this year. Information regarding frauds and safety related to these types of calls were presented to help boost knowledge, thus deterring victimization. Officers also engaged the public during community events to help further educate on frauds. The Grenville County Detachment had also identified an officer to focus on frauds and assist with facilitating various fraud training to help other members gain the skills and knowledge to enhance their investigations.
To work with internal/external partners to address intimate partner violence (IPV), cases of sexual assaults and other violent crimes.	The Grenville County Detachment saw an increase in violent crimes in 2025. These types of investigations continue to be closely monitored. To enhance support for victims of crimes, the detachment has a Detachment Abuse Issues Investigator (DAII). This member is assigned to review all crimes against person occurrences and provide their expertise to enhance victim support and safety planning. This member also provides their expert advice on investigative steps and will assist throughout the course of the investigation. Grenville County is fortunate to have a Victim Services office within the Prescott Detachment. This set up allows for our DAII and other officers to collaborate closely with Victim Services of Leeds and Grenville when appropriate. There has been a noticeable increase of referrals made by Grenville County OPP members over the past year to assist victims of crimes.
To address the underlying factors leading to substance/drug abuse and target the individuals responsible for trafficking these substances.	The Community Street Crime Unit (CSCU) continues to work cooperatively with the Organized Crime Enforcement Bureau and municipal policing partners targeting organized crime and community specific illicit substance traffickers. CSCU is committed to ensuring public safety and delivering proactive and innovative policing. CSCU has utilized numerous investigative techniques in high priority areas with increased overdoses to combat the illicit distribution of opioids.

	Officers continued to educate the public through community groups and external agencies on the risk of illicit substances, specifically opioids. Ongoing partnerships exist with local health units addressing harmful substances within the community in anticipation of reducing overdoses through education.
To support victim-centered approach to crimes against persons and property crime investigations ensuring supports are in place to help victims deal with any associated trauma.	The CSCU continues to target individuals committing property crimes, such as break and enters, and serial thefts. As we continue to work with support agencies, referrals to Victim Support by Grenville County officers has increased since last year. The OPP Auxiliary Unit, through Safeguard Ontario, also continues to educate victims of property crime occurrences, sharing deterrence strategies with Crime Prevention Through Environmental Design techniques.

2025 Roadways, Waterways and Trails Progress Results

Commitment	Progress Results
To target the BIG 4 causal factors of motor vehicle collisions on our roadways/waterways and trails in an effort to reduce these incidents (impaired driving, seat belt use, speeding and inattentive driving).	In the year of 2025, Grenville County members issued a total of 49 distracted driving offences, removed 100 impaired drivers from the roadway, laid 91 seatbelt infractions, and charged 1409 drivers with speeding. In total, 2409 Highway Traffic Act (HTA) offences were issued, and 150 traffic related Criminal Code charges were laid. We continue to work with and partner with our regional resources including the Traffic Incident Management Enforcement (TIME) team, and our Snowmobile ATV and Vessel (SAVE) team to ensure our roads, trails and waterways are safe.
To increase RIDE (Reduce Impaired Driving Everywhere) in order to target impaired drivers.	Grenville County officers conducted a total of 749 RIDE initiatives in 2025 and partnered with MADD Ottawa and Area to target impaired drivers and deter crimes through public safety messaging. This is more than double the previous year's statistics.

2025 Community Well-Being Progress Results

Commitment	Progress Results
To develop transfer of care protocols with relevant healthcare facilities.	The Transfer of Care Protocol was completed and fully signed on July 11, 2024. Officers responding to calls for service have seen improvement since this implementation with shortened wait times at medical facilities.
To identify co-response solutions for non-police related calls for service that impact resourcing.	In 2025, the Mobile Crisis Response Team (MCRT) was a part of approximately 591 calls for service, some of which were proactive activities, including foot patrol in high-risk areas for homelessness, community events to promote crisis resources, and ongoing committee attendance, including Human Services Justice Coordinating Committee and the Police-Hospital Transition Protocol committee. In 2025, the MCRT's apprehension rate (which includes all interactions with community members) under the Mental Health Act (MHA) was approximately 4.4%. The MCRT routinely provides education to individuals in crisis about available community resources when they attend calls for service. The team often takes responsibility for family dispute and police assistance calls where the issue is deemed to be psychosocial and speak with the person and/or their family about the appropriate area services that provide ongoing care and support, thereby reducing unnecessary calls to police. The MCRT also actively participates in treatment planning sessions with community groups, such as 988 and Pathways to Independence, to develop strategies to support their service and individuals in crisis, without having to include police as a response method when not needed.
To streamline collision reporting.	Officers continue to attend calls for service involving motor vehicle collisions. A system has been initiated to notify the supervisor when the report is complete so it can be approved in a timely fashion, making it available to Service Ontario.

Other Community Updates

In response to the identified increase in scam and romance related frauds impacting the community, the Grenville County Detachment prioritized proactive crime prevention and public education initiatives aimed at reducing victimization and strengthening community resilience. Members delivered targeted fraud prevention education to senior services, retirement residences, and community groups identified as higher risk populations. Education and guidance on the establishment of a new Community Watch program was also completed, supporting shared responsibility for crime prevention. Collaborative partnerships with community organizations, including RNJ Youth, enhanced outreach to youth through school-based education focused on cyber safety and the risks associated with the sharing of intimate images. CAM SAFE initiatives were reinforced through neighbourhood watch programs and coordinated social media messaging, expanding awareness, encouraging reporting, and promoting community-led prevention efforts.

Officers regularly utilize RIDE initiatives as an opportunity for both enforcement and education, reinforcing the dangers of impaired driving, promoting lawful behaviour, and increasing public awareness through high visibility policing. Wherever appropriate, the detachment continues to use partnerships with OPP traffic and marine units and neighbouring detachments to strengthen enforcement capacity.

The Grenville County Detachment maintains a community focused patrol model that prioritizes visibility, accessibility, and direct engagement. Officers conduct regular patrols in school zones, rural and urban neighbourhoods, and commercial areas in response to community feedback and identified risk trends. These patrols emphasize traffic and pedestrian safety, crime prevention, and positive interactions to strengthen public confidence in policing services. Officers continue routine patrols of parks and recreation centres during evenings and weekends to enhance community presence and deter opportunistic crime.

The Mobile Crisis Response Team (MCRT) will expand proactive foot patrols in areas experiencing homelessness, focusing on early engagement, education, and referrals to appropriate community resources. This approach supports both vulnerable individuals and local businesses while promoting coordinated, compassionate responses to complex social issues.

The Grenville County Detachment continues to enhance community satisfaction through respectful, professional, and responsive policing. Members will prioritize positive engagement during enforcement and non-enforcement interactions, with specialized units, such as the MCRT, focusing on compassionate, collaborative responses to complex social issues.

The detachment will maintain and strengthen partnerships with community organizations to support coordinated service delivery and improve outcomes for vulnerable individuals. Ongoing community feedback will be encouraged and reviewed to guide service improvements and reinforce public confidence in policing services.

The Grenville County Detachment continues to strengthen youth engagement by maintaining a consistent and visible presence in schools and community settings. Officers regularly conduct school foot patrols, participate in school based and summer camp presentations, and attend local sports and community events to foster positive relationships with youth and families. Members remain actively involved in Assessment of Risk to Others (ARTO/VTRA) meetings in collaboration with schools and community partners to support youth experiencing psychosocial or behavioural challenges. The MCRT continue to support initiatives such as the Active Travel Initiative in North Grenville, encouraging safe and healthy alternatives like walking to school while promoting community well-being.

The Grenville County Detachment continues its proactive engagement with diverse community groups to strengthen relationships and support community safety and well-being. Members participate in the North Grenville Pride Parade working collaboratively with event organizers to identify risks, address concerns, and ensure a safe and successful event. Command staff and members regularly participate in Pride and community flag-raising events to visibly demonstrate support for minority groups.

In response to the growing demand for mental health supports, the Grenville County Detachment maintains a collaborative partnership with Brockville General Hospital through the MCRT, comprised of two police officers and two registered nurses. In 2025, MCRT attended approximately 576 calls for service, including proactive initiatives such as high-visibility foot patrols in identified risk areas, community outreach events promoting crisis resources, and participation in interagency committees, including the Human Services Justice Coordinating Committee and the Police Hospital Transition Protocol Committee. Embedded registered nurses deliver comprehensive on scene crisis assessments consistent with emergency department standards, contributing to fewer unnecessary hospital admissions and a low Mental Health Act apprehension rate.

Calls for Service

Table 1.1

All CAD Events*	Immediate Police Response Required**
19,787	6,405

* This represents all Computer Aided Dispatch (CAD) event types created for each detachment area. Not all CAD events are dispatched to a frontline OPP detachment officer. Some events may have been actioned by another OPP member, diverted to another unit, or deemed a non-OPP event. This does not include officer or detachment generated events that have not been reported through the PCC, or any online reporting events.

** This represents the total number of CAD events prioritized for an immediate police response, indicating the potential for extreme danger, catastrophic circumstances, injury, the threat of injury, death, and/or crime in progress.

Policing Hours

The OPP has developed a Service Delivery Model (SDM) in response to several reviews and audit recommendations. The SDM is designed to:

- Promote officer wellness through balanced workloads
- Determine adequate staffing levels at each detachment
- Ensure the continued delivery of adequate and effective policing services in accordance with the *Community Safety and Policing Act (CSPA)*

To support SDM implementation, the OPP is undertaking a multi-year staffing strategy to address required increases in detachment personnel. This model supports the OPP’s ability to:

- Respond effectively to increasing calls for service
- Maintain safe communities through proactive patrols and community engagement
- Meet municipal expectations for police visibility

To monitor progress and guide detachment-level planning, the OPP has established time allocation targets for provincial constables (Figure 1). These targets reflect how time should ideally be distributed by the end of the SDM staffing strategy.

The targets are based on a provincial average, and variations are expected between detachments due to differences in geography, operational structure, recruitment and leave of absence rates.

Detachments may face challenges in achieving these targets, but progress is expected as scheduling, data quality and strategic deployment continue to improve.

Note:

- Statistics Canada's Uniform Crime Reporting Survey was designed to measure the incidence of crime in Canadian society and its characteristics.
- Reported, Unfounded, Actual, Not Cleared, Cleared by Charge and Cleared Otherwise counts (2023, 2024 and 2025) and Clearance Rate for 2025 included.
- Actual counts and Clearance Rate (2023, 2024 and 2025) included.
- The most serious violation methodology (MSV) is used, which is the same as Statistics Canada's methodology. The MSV counts only the first of up to four offences per incident that occurred in the specific time range.
- First Nation population is not included.
- UCR Statistics Canada Verified (green checkmark) only.

Table 4.1 Service Delivery Activity Allocations

Source: Daily Activity Reporting (DAR) System

Date: January 12, 2026

Note: Activity allocation percentages are based on the total reported hours of detachment provincial constables performing duties within their home detachment location.

Table 4.2 Hours (Field Personnel)

Source: Daily Activity Reporting (DAR) System

Date: March 06, 2026

Note:

- Total reported hours, excluding paid duties.
- Includes Provincial Constable to Sergeant ranks only.
- Excludes First Nations badge numbers.
- Excludes administrative accounts and joint services accounts.
- Excludes incomplete DAR entries and those with errors.
- Excludes General Headquarters location codes.

CONTACT THE OPP

Know your location - be ready to describe the situation and your location. Look for addresses, landmarks and buildings that may help identify your location.

REACH THE OPP BY PHONE

- Call 9-1-1 if there is an immediate risk to someone's life or property
 - to stop or report a crime in progress
 - to report a fire
 - to report a life-threatening medical emergency
 - Don't hang up, stay on the line
- To report non-life-threatening incidents that require a police response, use the non-emergency line (1-888-310-1122) or go to opp.ca/reporting
- TTY 1-888-310-1133 or agent 511 for registered subscribers may be used for individuals in the Deaf, Hard of Hearing and Speech Impaired (DHHSI) community to contact police
- For all administrative inquiries or to schedule an appointment, find contact information for your local detachment at opp.ca/detachments

PROVIDE AN ANONYMOUS TIP

- Call Crime Stoppers at 1-800-222-8477 (TIPS) or visit www.crimestoppers.ca

REPORT AN INCIDENT ONLINE

- The OPP offers online reporting for minor, non-emergency occurrences in areas of OPP jurisdiction. opp.ca/reporting allows you to submit a report without visiting or calling.
- Use the online reporting tool for:
 - Theft Under \$5,000
 - Mischief / Damage to Property Under \$5,000
 - Mischief / Damage to Vehicle Under \$5,000
 - Theft from Vehicle Under \$5,000
 - Lost / Missing Property Under \$5,000, including a licence plate(s) or validation sticker(s)
 - Driving Complaints

If you are reporting an emergency, call 9-1-1.

#KNOWWHENTOCALL

9-1-1 is for emergencies only: If there is an immediate risk to someone's life or property.

- ✓ a crime in progress
- ✓ a fire
- ✓ a life-threatening medical emergency

Dialed 9-1-1 accidentally? #Be911Ready. Don't hang up, stay on the line and speak with an OPP Communicator to confirm there's no emergency.

The misuse of 911 ties up emergency lines, communicators and officers, which can result in a slower response to a real emergency and risks the safety of people who may need urgent help.

It is against the law to call 9-1-1 as a joke. Prank 9-1-1 calls can be dangerous and waste valuable emergency resources.
