Dear Sponsor,

The Kemptville District Community Association is excited to be partnering with the Municipality of North Grenville to organize what we anticipate will be one of the best Canada Day festivities we have ever experienced! We have a great line up of entertainers, wildly passionate Kids Zone and Teen Zone coordinators who are pulling out all of the stops for a great mix of new entertainment as well as some of the old school traditional games! Food vendors, beverage service, the fire department with their games, a glow dance, and of course the fireworks. The list is long and constantly growing. Our budget however, is very tight.

It is our hope that we can count on you to come through as a Sponsor to ensure this event is a success. We plan to raise enough funds to offer these free activities for our community to enjoy in the celebration of our great Nation. Please look through the attached Sponsorship document to see which sponsorship level suits you. Should you not find anything that appeals, please feel free to reach out to me to see how we can accommodate what you have in mind.

Thank you,

Yours Sincerely,
Amanda Riley

**Kemptville & District
Community Association**

***An Opportunity to show your pride in Canada and in our
community!***

We are proud to announce that the Kemptville District Community Association has been provided with the opportunity to oversee this year's Canada Day Celebrations in Riverside Park.

We invite you as an integral and valued member of our community to partner with us as a Sponsor to help make this a truly memorable day of pride in our country and our community!

***Show your Canadian Pride ~ Demonstrate your Leadership ~ Raise your Corporate
Profile***
